

Week 11 – Course Title – Photo 5 – Introduction to Photography

Week 11 –

Learning Unit 11 – The photographers approach to different styles may influence his/her success.

Unit Overview – In this unit you will see how the approach to photography, and how different styles intersect to give us various interpretations of fine art and documentary subjects. How photographers will have a predominate style of their work, but will venture into other areas for either commercial or artistic reasons, many times just to explore the boundaries of their own talents. How the approach to photography is crucial to success and while we share a common method of capturing our world, the results are as different as we are.

After successful completion of this Learning Unit you will be able to:

1. How the approach to the photographic subject often determines the photographers ultimate success or failure.
2. How fine art photography shapes our perspectives of modern culture right along with documentary photography.
3. How on location, it is important to understand when something is not working to adjust your thinking and ideas to recharge your creative batteries.
