Photo 5 Online

Photo 5 online – Introduction to Photography – Spring 2018

Week 1 – Activity Checklist for the first week

Done	Activity	**Due**
	1. Read, listen or watch the introduction to this week's activities on Canvas and or my website.	**By Tuesday**
	2. Read the Syllabus. Make sure you understand all procedures, deadlines and materials needed for this class. It may be very different from other courses you have taken. We will use Canvas, my website and YouTube for course instruction. ➢ Syllabus is located on Canvas and on my website as a PDF file .www.thomhalls.com/photo5.html -	**By Tuesday**
	3. Go to Canvas and Log into the class page. On a Discussion post tell me in less than 100 words what you would like to accomplish by the end of this course. Please don't say pass the course. THIS WILL SERVE AS YOUR CHECK-IN FOR THE CLASS THIS WEEK. FAILURE TO DO THIS BY **WEDNESDAY @ 9 PM -** I WILL CONSIDER YOU A NO/SHOW AND YOU WILL BE DROPPED!	**Due Wed @ 9 pm Worth 20 points**
	4. Watch the 2 videos entitled **"Week 1 Getting started"**. The first talks about how you will get and deliver your information. The second will explain the applications and methods you will use to upload and communicate with me. ➢ Getting Started is @ https://youtu.be/VJmfgn9ECpY	**By Wednesday**
	5. Check your computer to handle photographs and audio critiques of your work. Critiques will be available to you in the feedback section of your finished project on Canvas. Test the audio file entitled "Audio Test" on your computer and make sure you can hear it.	**By Wednesday**
	6. **This is NOT mandatory but it will help**! – See if you have some sort of photography editing software like Photoshop or Lightroom. If you do not have these, then try Picaso or Photoshop Lightroom for tablets (Picaso is free. There are many free software packages that will work for this class. (If you are using a Smart Phone you may have capabilities that will work for enhancing photographs**). Competence with editing software is not necessary for this course, but it can help you – the key is saving the file as a Jpeg format all the time. Make sure you investigate this in the first week.**	**By Sunday**
